Menswear

The shirt is a canvas

A well-made shirt is a streamlined statement of elegance and timeless fashion. The embodiment of a modern sense of style, the classic shirt bridges the gender gap: the blouse is, after all, its feminine iteration. The shirt is to the wearer as the canvas is to the painter: it offers a clean, structured medium for expressing whatever image we want to portray.

Both purist and adaptable, the shirt is an integral feature of the modern zeitgeist, with enduring iconic status.

Das Hemd inszeniert: schlichte Eleganz, Souveränität und modische Zeitlosigkeit. Es ist Symbol des modernen Stilgefühls: geschlechterübergreifend, schließlich leitet sich die Bluse von ihm ab. Das Hemd verhält sich zum Körper wie die Leinwand zum Bild. Wir projizieren darauf, wer wir gerade sein möchten.

Puristisch und wandelbar zugleich: Das Hemd gehört zum modernen Zeitgeist und bleibt die Ikone, die es immer war.

"Everything I touched turned into shirts."

Company Founder Walter Seidensticker (1895-1969)
